Assessor Comments	A great line of yearling heifers that would suit either the Feedlotter or the Producer looking for a good line of heifers to join to the bull of their choice. The Heifers weighed 370kgs full at Assessment and were all in forward store condition. The Heifers are all by station breed cows, based on Ben Nevis and Forres Angus bloodlines and are by Booragul Angus Bulls. The Heifers are August/ September 2023 drop. Please note one heifer had some warts on her neck and one heifer had a cracked hoof at assessment, neither are considered detrimental. The property has b Double access but 24hours notice is required before delivery as further wet weather may impact access.
