Assessor Comments	On offer is an outstanding line of 77 one-mark Angus heifer weaners. Heifers are 8-9 months old and showing exceptional growth for their age. These weaners are Te Mania Blood, very fresh with plenty of shape. This is the entire drop of heifers from 165 cows presenting a great opportunity to purchase a genuine run of well-bred females that have not been picked through. All calves are still on their mothers and will be until delivery. Please note the vendor has the 88 steers offered in the same which are the brothers of these heifers.
