Assessor Comments	A good quality run of black baldy heifers. Heifers have been improving since Spring after coming through a tough Monaro winter. Heifers would be suitable for any breeding program or to fatten and finish off for feedlot/domestic or export kill. Heifers were purchased off local reputable producer, Ernie Constance and are Hazeldean/Kunuma Angus bloodlines going back to a Billilunga Hereford base. Please Note: Agent can arrange freight to Cooma to meet a big truck or to Riverina with weekly market trucks.
