Assessor Comments	On offer is a good line of 6 Red Angus x heifers that are vendor bred and Greenhams Never Ever accredited. These good frame heifers are extremely quiet and have been well handled. Heifers are 12mths old and are 456kg/avg. The vendors normally would sell these as vealers but opted to wean early and grow out. Cattle that would suit most markets or ideal future breeders. Vendors are passionate about their breeding and have been infusing/trialing different breeds to get the ultimate cross, buying only the best bulls. Please note 3 other lots in same sale. Note photos 1 black heifer in mob
