Assessor Comments	42 VERY QUIET Angus heifer weaners - These heifers are a must if your looking to top up your breeding herd. A great mix of Rennylea / Dunoon / Alpine and Reiland Angus blood running though them. These Heifers have the breeding behind them to perform well as breeders or grow out feeders. Showing good muscle, length, depth and extremely quiet to handle in every way. Heifers have been doing 1.3kg since weaning.They have been 100% grass fed, had all their treatments including being done for fly on the day of assessment. Heifers weigh 266kg - 400kg to AVE 323kg full at assessment. NOTE - 3 heifers had their eye treated on the day of assessment, nothing to major and not detrimental to them in any way, please refer to photos. Vendor has the full brothers to these in this sale also - a lot of 36 Angus weaner steers.
