Notable Traits	Traits		
	6 Head Spot of white in front of testicles		
	1 Head white spot on face		
Assessor Comments	36 VERY QUIET Angus steer weaners - Bred to perform with A great mix of Rennylea / Dunoon / Alpine and Reiland Angus blood running through them. These steers will grow out excellent feeders or through to heavy bullocks. Steers are showing good muscle, length , depth and are extremely quiet to handle in every way. Steers have been doing 1.4kg/day since weaning.They have been 100% grass fed, had all their treatments including being done for fly on the day of assessment. Steers weigh 286kg - 430kg to AVE 342kg full at assessment. NOTE - 1 steer had his eye treated on the day of assessment, nothing to major and not detrimental to him in any way, please refer to photos. Vendor has the full sisters to these in this sale also - a lot of 342 Angus weaner heifers.
