Assessor Comments	16 Angus/Black Baldy Steers. Aug/Sept 2023 Drop. 15-16 Months. Weeran, Bongongo & Allendale Blood. These steers are very well bred, outstanding weight for age and would make unreal bullocks. Steers are very quiet to handle. These steers would normally be taken through to be killed as bullocks by the vendor but due to unforseen circumstances these steers are to be sold. Grassfed and antibiotic free. Teys Grasslands Accredited. Vendor also has two other lots in this sale, 23 heifers and 75 heifers.
