Assessor Comments

75 Angus Heifers. Feb/March 2023 Drop. 18-20 Months. Willabasin Blood. These heifers are perfect to feed, on the do and have the frame to become a domestic kill heifer in a short period of time. We purchased these heifers from Willalooka Past Co on Aplus with the purpose to fatten and do a grassfed kill job but due to unforeseen circumstances these heifers are to be sold. Job 3/4 done, ready to top up. Grassfed and antibiotic free. Teys Grasslands Accredited. Vendor also has two other lots in this sale, 16 Steers and 23 heifers.
