Assessor Comments	This is a quality line of Angus Heifers. These heifers are out of Speriby North Blood cows and Dunoon Angus Bulls. The temperament in these heifers is exceptionally good. They are up to date in their animal husbandry. At the point of assessment no signs of pink eye in any of these animals. There are 5 heifers with white underneath. Heifers were weaned at assessment into a good size holding paddock with plenty of grass and silage. These heifers are grass fed and antibiotic free.
