Assessor Comments	A Quality line of Sprys Blood heifers that are bred out of a top herd. These heifers have grown well and will continue to grow if given the opportunity. These heifers are bred from top sires purchased out of the Sprys Annual bull sale where the vendor only purchases in the top 15% of bulls. A tail of 5 heifers were removed at assessment. Heifers show good bone and structure to go on as breeders or be fattened for trade and export markets.
