Heifers will present in good healthy store condition weighing from 285 - 421 kgs to Ave 342kgs at assessment (full). These Heifer are extremely well bred out of large frame cows, bred by Dollar Angus bulls they would be perfect to join to the bull of your choice, they will furnish into nice breeders given the opportunity. They will come with plenty of upside they are still only just starting to clean up in the coat, they are all frame and will stack the weight on given the feed either on grass or grain to finish at domestic or export weights.
