Assessor Comments	These cattle are the last of the current owners of Forest Lodge as the property has been sold. They present in excellent order and are doing a good job on their calves. The cows are easy to handle with years of service for the purchaser. They were joined to the Rennylea and Mountain Valley Angus bulls on the 11th of September 20/24 and will remain with them until delivery. No scarred eyes noted in either cows or calves, 4 cows have white on udders and one a red tinge in the coat. One calf with white socks on back legs and one with white on belly.
