Assessor Comments	Buyers an opportunity to purchase a line of well bred angus cows, these cows all purchased as weaners out of the New England over the last 3 years. 39 calves at foot ranging in age from 2 weeks to 6 months, younger calves have not been marked. There are 5 older calves in this mob which have been marked. Odd cow noted with white on udder. Odd blue eye noted. Please note this is part of a full herd dispersal.
