Assessor Comments	7 NSM Angus Cows with their 3rd calf at foot. Cows are 5 years old and are Karoo blood. These cows were purchased as PTIC in 2022 from a local breeder via Auctions Plus. Cows are milking well with sappy July drop calves on them. Calves were sired by a Dalwhinnie Angus bull. Cows are only being sold as the vendor currently has two joining and is returning to a single joining. A great opportunity for someone starting out or to top up your existing herd with some quality females entering the most productive years of their lives. Please note there is one older steer calf born in April among the calves. The vendor also has another lot of 3x3 Hereford cows and calves which are the same age in the sale.
