Assessor Comments	A very neat line of Angus Heifers and Calves. These heifers are vendor bred and are pure Hazledean Angus bloodlines. They are 2yrs old and showing very good growth and length for age. These heifers are bred out of a very good cow herd that produces quality calves year in year out and these heifers have all the attributes to be very good matrons into the future. Calves are by Hazledean bulls and are showing good growth for there age and av 108kg. Calves are marked and vacc ready to go!!
