Assessor Comments	A neat run of mixed age cows and calves. Hazeldean blood cows are doing an excellent job on sappy Landfall blood calves. This lot present an excellent opportunity for a short trade with cows going forward and calves with plenty of weight already. Calves were marked at assessment and given 5 in 1. Originally purchase out of the well renowned Nadawar herd from the Waldren's at Kybeyan. Cows have been continuously running with Landfall Angus bull. Please note: Agent can arrange freight to most areas with weekly market trucks.
