Assessor Comments	**Quality Angus Females** Opportunity to purchase Ex Stud cows from HBR Angus herd. These cows have been a big contributor to the herd and represent an opportunity to secure excellent females with 14 Heifer calves at foot all sired by 2 x rounds of AI to Te Mania Montalto. King Isle Farms offers up the opportunity to put together a group of females from the core of its herd. King Isle Farms operates as a Co Operator herd for Lawsons Angus hence females are registered under 'VLY' prefix and all offspring are fully registrable. They are very consistent for type and display excellent shape and muscle for females. They are classed in breeders only being sold due to letting go of two lease blocks. Note: See video
