Assessor Comments	A line of well bred, young Angus Cows in prime condition, joined to a very good Wagyu Bull. The Vendor's have been building their cattle numbers over recent years with these Cows (and the 7 Wagys) now surplus to requirements. Please note the details on the joining sire - his full embryo brother sold for \$80,000 at the 2023 Elite Auction (Lot 44). The Cows range from Medium to Very large in frame with the majority being large - plenty of capacity and structurally sound. Nutrition and Health treatments are up to scratch and I have no doubt they will produce excellent quality F1 calves. Note - small line of purebred Wagyu Cows of same joining also in the sale.
