Assessor Comments	Fernlea Park Pastoral are selling there 2 - 5 year old Angus cows with 7 - 10 week old calves at foot due to a change in management strategy. Proven productive breeders that were purchased from Mortlake & the surrounding area as 1st calvers. Majority of these cows are 2020 drop raising their 3rd calf and still have many good years of breeding in front of them. Quiet, easy to handle females that have been great breeders and reared a calf every year. All calves are born in a tight 3 week calving, with the cows AI'd to Landfall Keystone and backed up by A Weatherly Angus bull. Two cows have light blue eye scaring not detrimental to vision (see photos). Vendor is also offering a further 5 lines of cows and calves in the same sale.
