These young cows were generally good to handle with the exception of 2 cows becoming very protective of their calves. Once left alone they settled down nicely.

Assessor Comments	On offer buyers a line of genuine first calf Brahman Heifers with Brahman calves at foot. If you're looking for replacement breeders these would be ideal, offering a nice even drop of calves, these young cows are putting everything into them. Buyers please note these units are only getting sold due to owners selling the property and hitting the road. Also note 1 Heifer calf with navel lump and some fly bites on the Cows. Please see photos and videos for your satisfaction. Vendor has other lot in this auction.
