Assessor Comments	Buyers on offer a very handy run of “one mark” Angus cows & calves. Cows were purchased through TRLX as a run of PTIC cows from the Robertson Family Nundle. Mostly larger frame, these cows would dress up on a rising plain of nutrition, these cows present in their work clothes. All cows mouthed for buyer confidence, 3 broken mouth cows bang tailed. Joined to Bald Blair Angus Bulls since 3rd October, many of these cows would go around again if required. Cows are currently doing a good job on this crop of calves. 1 red calf & 1 calf slight influence of Santa (see photos). Some cows with white on udder with 1 cow, white on undercarriage from navel too udder. 3 cows noted with blue eyes.
