Assessor Comments	15x15 Red Angus Heifers and Calves. These heifers are out of the Annandale Red Angus Herd, with years of breeding behind them these heifers are beautiful future matrons. Heifers are only 2-2.3yrs with a very nice 8-16wk Calve at foot. Heifers are showing nice depth, length and milk to them which is showing on the calves which av 140kg. Heifers have been running back with Gilmandyke Angus and Annandale Red Angus bulls with a very good chance these heifers are a 3 for 1 unit. Great units that will not disappoint!!
