	Well handled easy to manage heifers		
Handled With	Bikes , Vehicles		

Assessor Comments	A quality line of Noonee blood Heifers with their first calf at foot, calves AI sired by Baldridge Command C036. Heifers 510kg at assessment. An excellent opportunity to purchase very well bred heifers with exceptional calves, these heifers show plenty of length and are carrying plenty of milk. Calves are already showing top quality phenotype, bone and soft skin and are very fresh and healthy. Heifers are up to date with Pestigard and 5in1. Calves are marked and have had 5in1 1st dose. 5 heifers note with white on udder.
