| Assessor Comments | A remarkable line of well-bred 2-year-old Angus heifers in excellent condition, each with healthy, thriving calves at foot. These heifers are full of milk, as demonstrated by the quality of their calves, and have been joined to a LAWSON"S ROCKY Angus bull since September 25th, 2024 and will be removed upon delivery. These cow and calf units, featuring renowned genetics, would be a valuable addition to any breeding operation. The vendor, the NSW Area Manager for Lawsons Angus, is available for contact upon request. |
