Assessor Comments	Healthy line of proven breeders that carry a healthy shine in forward-store/prime condition. A combination of lightening some numbers going in to Summer, along with a very good preg testing result, has made these genuine, classed-in, 'prime of their life' females surplus to requirements. Quality breeders that boast years of pure Reiland Angus genetics. PTIC to LBW Rossrich Angus Bulls for an Autumn calving in a tight 6 week window. Buyers please Note. Vendor also has another lot of some PTIC Heifers in the same sale, as well as some calved females.
