Assessor Comments	Stage 1 of the Maritana Pastoral Company Charolais herd dispersal. Maritana presents 4 X 4 commercial charolais cow and calf units that have been joined back to Challambi Trumpet from the 26/09/204 until delivery. These cows are true front paddock cattle comprising of one 3 year old cow and three 2 year old first calved cows with 2 steer calves and 2 heifers calves at foot. These cows are large framed, well muscled cows with plenty of milk under them.The vendor takes a lot of pride in their breeding program and regularly tops the local prime market. Please be aware 1 cow had a vet procedure at calving due to the calf being backwards and a leg turned sideways- both cow and calf have recorved. Please note the vendor is offering another 6 lots in this sale.
