The calves are sired by the Pinora stud bull Q317. The vendor has been breeding cattle for 60 years and the cows herd has always been based on top stud genetics. These outfits are a great opportunity for buyers to purchase a quality line of vendor bred cows with plenty of weight that are doing an outstanding job with their calves. Please note 8 cows have long toes (refer to photos). Also 1 cow has a Hereford foster calf that has a post breeder ear tag.
