Assessor Comments	Buyers on offer 30 Angus X Angus PTIC Cows. Cows are of big frame and carry all the attributes of a great breeder. With majority of these cows being aged from 5 to 8 years old, they have the prime of their breeding lives ahead of them. Having been joined with the Circle 8 Angus bull over a three-month period. Please note one cow had slight blight scarring in one eye but was not deemed an issue. PTIC cows of this quality are rarely available and are well worth your consideration.
