Assessor Comments	A line of Angus & Angus X heifers presenting in store condition. Heifers have all been pregnancy tested empty by vendor. Heifers are showing good frame for their weight and should do very well for potential buyers. Heifers have been bred on lighter timbered country at Bonalbo NSW and trucked to Warwick to better feed only recently. Heifers are all Ascot, Glenisa & Broadwater bloodlines. Ideal to rejoin or to feed on. Please note: 1 heifer has blight scarring.
