Vendor Comments

A lovely line of PTIC 3 - 6 year old Heifer and cows to calve in Early February. A regrettable sale only selling due to downsizing in herd numbers.

Assessor Comments	A good Quality line of Angus composite young cows 3 - 6 years old that are PTIC to calve in February. Bred from a very good quality composite Angus Black Galloway herd that has a stud foundation. This line of young cows present a great opportunity to get in early and secure some autumn calvers that would fit into any Black herd. These cows are good moderate frame females that honest proven breeders that present in fresh forward condition. Cows were joined over a tight 6 week period and are in calf to a AI son of the breed leading Landfall Newground to calve approximately from February onwards. Temperament is a stand out attribute of these young cows, they are very quiet and easy to handle and would suit any one were quite cattle are a must !!.
