Assessor Comments	An excellent line of spring calving cows & calves. These cows are large frame, deep bodied females. They have been excellent producers for the Fosters and they are only on the market due to the sale of the property. These cows are predominately middle aged with 18 cows between 3-7yrs and all have sound mouths. They are rejoined to an excellent quality Milong Angus bull who is throwing growthy calves with plenty of style. An excellent line of cows that have produced a calf every year and will continue to produce quality prodgeny for years to come. BUYERS PLEASE NOTE THE VENDOR HAS 2 LOTS OF COWS & CALVES IN THIS SALE.
