Assessor Comments	A/c KL & SS Jaques of Mulwala offer 19 top quality Angus Heifers. These heifers are vendor bred out of a pure Rennylea Angus herd. They are 19 to 20 months of age and are medium to large frame relative to their age. These females have been joined to a low birth weight Rennylea Angus bull S89 for a 6 week period and are to commence calving the third week in February for 6 weeks. With a weight range of 467kg to 620kg to average 522kg curfewed, these heifers were tops of the drop in the Jaques herd and are only being offered due to a change in operation. These females were very good to handle throughout the assessment process and would compliment any operation.
