	Heifers were very easy to handle throughout assessment. Just getting a bit anxious after being drafted off from their calves and pushed through the race. A lot of stomping and rocking & displaying nervous behaviour - different cattle once they were let out of the race and back with their poddies.

Assessor Comments	Nice line of Heifers & calves. Bred by the well known Curralee Pastoral Co at Wagga Wagga, carrying years of Rennylea & Bongongo Angus Blood. Doing a good job a their first attempt at motherhood, taking good care of their healthy, young poddies and carrying a good bag of milk. Heifers were low maintenance breeders, nearly all calving unassisted, in the paddock. In ideal condition to put back out with the bull of your choice at delivery.
