Assessor Comments	**Front Paddock Articles** . 14 AI'd Angus Heifers. Feb/March 2023 Drop. Nampara and Glatz Black Angus Blood. PTIC in calf to LBW TEXAS Mt Kaputar & Nampara T312 (Mt Kaputar Son) to calve 10th Febuary for 4 weeks. ** Bull EBV's in Photos** . These heifers were purchased from Naracoorte Weaner Sales last Christmas from The Smith Families. An outstanding line of deep soft future mothers, would be the pride of any herd. You would have to go a long way to find a line of heifers of this calibre AI'd to outstanding sire lines. Vendor also has another run of 15 of these heifers.
