Handled With	Heifers were a pleasure to handle through yards, odd one a little pushy trying to bluff with their size Bikes , On foot , Vehicles		
Assessor Comments	An excellent run of PTIC Angus Heifers that are well mannered with frame and bone. The last of the females left, due to a change in operations. A genuine sale of young females that were originally destined to be retained in the program as breeders. An opportunity to secure the tops. The quality of these females is outstanding, front paddock cattle. Joined to Angus Bulls to start calving Feb 4th onwards. Vendor has one other lot in this sale
