Assessor Comments	Rocklyn Park, Hamilton, Vic will offer 65 Angus Steers, March/April '24' drop, Dollar Angus Bld, Weaned, PCAS, Grass Fed & Antibiotic Free. An Exceptional line of Angus steer weaners on offer, steers were weaned in August and have thrived ever since, they will present in strong forward store condition having been weighed from 330 - 428 kg Ave 366kg at assessment. These steers come with my highest recommendation, they will grow into heavy export bullocks given the opportunity, or ideal to background or put in on feed straight away. Steers are all up to date with their animal husbandry. Steers have had a big weaning, well handle and are extremely quiet.
