	Good quiet line of heifers to work.		
Handled With	Bikes , Dogs		

Assessor Comments	Buyers, here is a well bred line of weaned EU Angus heifers that are antibiotic free & grass only eligible averaging 319kg. These heifers show nice depth of flank with length of body. They are very soft smooth easy doing types with nice volume and femininity. Heifers are bred out of medium to large frame Dalkeith bred straight Angus cows by Glenavon, Bowen & Carabar stud Angus sires. Heifers worked very quietly through yards. Note 2 heifers had slight old blue eye scarring but not detrimental. Vendor has other lines in same sale.
