Assessor Comments	A small line of good quality Speckle Park/Angus weaned heifers. They would be ideal to background to feeder weights for the domestic market or retain as future breeders. The heifers were an absolute pleasure to handle through all parts of the yards and have been very well educated through the weaning process. A genuine turnoff line of heifers with none having been retained by the vendor. These heifers are going forward and are cleaning up in the coat nicely. Please note vendor has 4 lots total in the same sale.
