	2 Head	Warts
	1 Head	White on navel and underline.

Assessor Comments	A nice line of good quality Angus & Angus cross weaned steers. These steers have plenty of frame, are growing well and are cleaning up in the coat nicely. They would be ideal to background to heavy feeder weights for the export market or alternatively may suit to feed for the domestic markets at current weights. Please note vendor has 4 lots total in the same sale.
