Traits

Assessor Comments	A line of 80 Shorthorn feeder heifers. These heifers females come from the heart of the Merriwee program and are sired by high quality bulls from the Shorthorn National Show and Sale. The heifers show huge potential with great growth for age, depth of body and easy doing nature. 100% Preg tested empty, suitable to be put straight into the feedlot and perform. Ranging from 405kg to 520kg and averaging 446kg curfewed, these 18-19month old heifers show expectational performance and would be a great investment. NOTE: Vendor has 2 lots of heifers for sale in this weeks sale.
