	Steers worked through the pens, race and crush well and with no malice but wanting to move at a jog rather than a walk. once weighed and let out into there mob they settled well for photos and videos. cattle stand well when not pressured and are inclined to move off if I walk in on them		
Handled With	Bikes , Dogs , Horses , On foot , Vehicles		
Notable Traits	Traits 2 Head very small amount of wart on neck		
Assessor Comments	Offering 2 lots from same property in todays sale including – 44 head averaging 322 kg and this lot being 62 head averaging 380 kg empty. The full consignment of 106 head were weighed out as over 370kg and under 370kg to tighten weight brackets, this lot is the tops over 370kg and present in fresh forward store condition with plenty of frame to gain more weight quickly and either fatten or sell on as top end feeder weights. Steers have been running on natural and improved pastures and are a great representation of their breed with the vendors breeding history spanning 40 plus years with Murray Grey and Greyman cattle. the Greyman infusion was introduced to improve the cattle's drought and heat tolerance, also for feed conversion efficiency to allow the progeny to perform better in all conditions.
