Assessor Comments	Offering 2 lots from same property in todays sale including – 62 head averaging 380 kg and this lot being 44 head averaging 322 kg empty. The full consignment of 106 head were weighed out as over 370kg and under 370kg to tighten weight brackets, this lot is the seconds weighing 310 to 370kg and present in fresh forward store condition with good frame to gain more weight quickly and either fatten or sell on as top end feeder weights. Steers have been running on natural and improved pastures and are a great representation of their breed with the vendors breeding history spanning 40 plus years with Murray Grey and Greyman cattle. the Greyman infusion was introduced to improve the cattle's drought and heat tolerance, also for feed conversion efficiency to allow the progeny to perform better in all conditions.
