Assessor Comments: An excellent quality line of Simmental X heifers. Sired by Yewell & Tugulawa bulls out of medium/large frame Hereford cows, they will grow into outstanding cows ideal to put in the front paddock. They show wonderful temperament & are only being offered due to the extremely dry season in the Western Districts. 'Burrendah' have been well known for many years for producing tremendous Simmental X cattle that tick all the boxes. They come with my highest recommendation.
