Assessor Comments	Buyers, on offer are 53 weaned Vendor bred Angus, Black Simmental, Brangus Santa cross infused heifers, Heifers would be ideal to put away and take through to heavier feeder/kill weight at a young age. Heifers stand on good bone and show plenty of length whilst still showing good femininity, heifers would suit majority of your domestics/export markets whether it's in the feeder or processing grids, Heifers could also be retained as future breeders and joined to a bull of your choice when the time comes.* Please note Buffalo fly was starting to become present on cattle at time of assessment*, Buyers please note vendor has steers in same sale.
