1 Head	One heifer has a slight brindle coat

Assessor Comments	A good line of well bred young heifers in store condition. Ideal to background for domestic feeder markets or retain a draft for future breeders. These heifers are mostly one brand and are set to really do well given the right conditions. The lighter tail end of these heifers have been removed. Please note there may be one heifer that shows up in the videos with a lump on her jaw, she has been removed and is not in the assessment.
