Assessor Comments	Buyers, this is a great line of Angus & Droughtmaster steers with tremendous muscle & softness averaging 269kg. These steers have great length of body with plenty of natural thickness. Steers stand on very good bone with great spring of rib and carcass. Steers where very good to handle through yards. They are out of medium to larger frame Thornville Droughtmaster cows that are very quiet to handle by Banquet Angus sires and Rondel Droughtmaster sires. Steers will be handled in yards up to trucking. Note vendor has heifer line in same sale.
