Assessor Comments	Buyers, this is a great line of well bred weaned EU Angus heifers that present in store condition averaging 306kg. These heifer's show nice length of body with skin and softness. Heifers are very feminine types with nice bred character. Heifer's are only young being 12 to 15 months old. These heifers haven't been joined and no contact with bulls. They are bred out of medium to large frame soft Angus cows by top quality stud Hazeldean & Circle 8 Angus sires. Heifer's worked very quietly through yards and have been very well handled outside. Vendor has other lines in same sale. Note different tag colours are for family owners.
