Assessor Comments	Buyers, here is a great line of Charolais cross heifers that only present in store condition averaging 354kg. These heifers show nice frame, with plenty of length. Heifers are soft smooth easy doing types standing on good bone. They have nice spring of rib with depth of flank. These heifer's haven't been joined and have been trucked to property where there is no bulls. Heifer's are out of medium to large frame cross bred cows by top quality Moongool & Palgrove Charolais stud sires. These heifers were extremely quiet to handle through yards. Note one heifer has stubby tail. Vendor has other line in same sale.
