Assessor Comments	Here presents a line of Angus x Angus weaned steers. These Steers are out of Ex Glenmorgan Stud Cows that were purchased from their dispersal. Steer present in forward store condition and with the breeding behind them would exceed all expectations when backgrounding for Export markets. Buyers, please note 4 Steers had old pinkeye scarring but doesn't affect their sight in any way. Buyers please also note, Steers were cut and still present with some cod, three showing white.
