Assessor Comments	Buyers a quality one mark line of heifers that are well grown out for age and are not carrying excess condition. Cattle would be ideal to grow out to future breeders or feed onto heavy export heifers. Cattle were bought out of the casino weaner sales in March 2024 and have excelled through out there time. Cattle have a great nature and would be an asset to any operation.(Please note only 1 heifer is within a withholding period and was treated for pinkeye with Duplocillin on the 03/01/25 and is in a WHP for 30 days from date stated Please refer to photos for full eye satisfaction. Also note delivery dates are flexible within reason for purchaser if wet weather impacts access, contact agent for more details.) Please refer to videos and photos for full breed satisfaction. Orange management tags will also be removed before delivery.
